Shady Side Academy Accreditation

2022-2024

PAIS Accreditation

- Standards- Based Accreditation of independent, private, not-for-profit schools in PA
- Revised process includes 25 standards (10 sections & 184 indicators)
  - The PAIS process and standards are continually reviewed and evaluated for relevancy, for example: International Students & Residential Life, Health & Safety, Equity and Social Justice, Blended Learning
- Self-study followed by a review and on-site visit by a committee
- 10 year cycle

The fundamental principle underlying the operation of PAIS is that a school should be evaluated by the association's standards in light of the school's own philosophy.
